PEOPLE DREAMS #1 - BASIC: A SMORGASBORD OF COLORFUL DELIGHTS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. This bright little book is the print version of the FREE Kindle version available on Amazon. You get a tasty nibble of each of the four 'adult coloring books' reviewed here, and instead of black-and-white drawings awaiting YOUR coloration, you get some of the drawings in their original colors, which might not be what you imagined, but they're a feast for your eye-bulbs in any case! For the cost of printing (plus 2-cents, to get his 'two-cents' worth) you can pick and choose which of the four you want to start with, or see that getting all four BEFORE they become collector's items is your 'cup of tea', eh? Take your time, and wander through the drawings and the descriptions that round out the drawings themselves, and add so much entertainment to these tasty hors d'oeuvres. You probably know that Enrico Caruso, the famous world-renowned opera singer and tenor from the early 20th century, drew excellent caricatures of the toffs, snobs and mover-shakers of HIS time, many of them from America and Europe's rich art-benefactor and political poobah classes. but he didn't have Kindle to publish to, nor did he include anecdotes about the caricatures! He drew them, and they were published AFTER his death, whereas these come to you BEFORE Karridine steps through that golden doorway, so here's your chance to see some stars from the silver screen; dancers from the steamy big-city nightlife in The Big Mango; TV's who walk on 'the wild side' in Pattaya; and some designs that shake your head, rattle and roll! Enjoy, this 'Banquet' of artwork and endearing backstory, by Karridine!.
